Government of India
Ministry of Ayush
National Medicinal Plants Board

Subject: Expression of Interest for engagement of Government Department / Research Institutions / Universities etc. as Regional Cum Facilitation Centre (Northern Region-1) of NMPB.

National Medicinal Plants Board, Ministry of Ayush intend to set up Regional Cum Facilitation Centre (Northern Region-1) of NMPB for active co-ordination among the different stakeholders and for better implementation of the programme and activities of medicinal plants sector in Northern Region of the country.

National Medicinal Plants Board, Ministry of Ayush invites bids (Technical and Financial in two separate envelopes) from Government Department / reputed Research Institutions / Universities etc. to act as Regional Cum Facilitation Centre (Northern Region-1) of NMPB, Ministry of Ayush for coordinating the activities in the medicinal plants sector in state of Chandigarh, Delhi, Haryana, Himachal Pradesh, Punjab, Uttarakhand and Uttar Pradesh.

For more details, visit NMPB's website www.nmpb.nic.in or Ministry of Ayush's website <https://www.ayush.gov.in>.

Last date for submission of proposal shall be **within three weeks** of the publication of the advertisement.

Expression of Interest (EOI) for engagement of Research Institutions/ Universities etc. as Regional Cum Facilitation Centre for Northern Region - 1 of NMPB

1. National Medicinal Plants Board (NMPB), Ministry of Ayush, Government of India is mandated for overall development of medicinal plants sector in the country in coordination with relevant Ministries/Department of Government of India. The board is presently implementing "Central Sector Scheme for Conservation Development and Sustainable Management of Medicinal Plants" under which there is provision to establish Regional Cum Facilitation Centre in project mode within existing Government Departments / Institutions (like Institution of ICAR, CSIR, ICFRE, Universities, AYUSH Institutions etc.) in various eco-regions of the country.

2. It is proposed to engage reputed Research Institutions / universities etc. for co-ordinating the activities in the medicinal plants sector and to act as Regional Cum Facilitation Centre for Northern Region - 1 of NMPB in state of *Chandigarh, Delhi, Haryana, Himachal Pradesh, Punjab, Uttarakhand, Uttar Pradesh* of the country. This Regional Cum Facilitation Centre will act as one stop centre for the growers, cultivators, Researchers, traders and other stakeholders of medicinal plants and to function in close co-ordination with State Medicinal Plants Board (SMPBs), other implementing agency of the medicinal plants activities in the region concerned. The Regional Cum Facilitation Centre shall provide a service window for growers of Medicinal Plants (MPs) for supporting conservation, development, marketing, cultivation of Medicinal Plants and provide handholding support to stakeholders in terms of technology dissemination and also for establishing primary processing facilities etc. and other activities relevant to the area concerned as and when assigned.

3. The broad functions identified for these Regional Cum Facilitation Centre shall be as indicated below:

- i. The Centres can act as one Stop shop for all matters related to Medicinal Plants in the region concerned and would provide support to NMPB to fulfill its mandate and to act also as Facilitation Centre of NMPB.
- ii. To facilitate and get engaged in setting up of Primary Processing, grading, marketing facilities etc. in collaboration with local Stakeholders/ organisations of repute.
- iii. To develop managerial and technical skill among the concerned stakeholders including growers, collectors and to provide strategic support by organizing trainings, workshops, seminars etc.
- iv. Development of Agrotechnology of medicinal plants especially endangered and high demand species in the region with focus on organic cultivation and customization/ field trials of already developed Agrotechniques.
- v. Development of Region Specific Quality Planting Materials and to scientifically handle issues concerned with it.
- vi. Facilitation of sale of Medicinal Plants/ produce etc. resolving demand supply issue etc. and also develop a database on demand, quantity sold and price of major species along with development of marketing facility in the region by

setting up of minimum support price.

- vii. To provide inputs on conservation, sustainable cultivation, technology upgradation, training & research on Medicinal Plants and to engage Forest Departments and other concerned Departments of the States in those activities.
- viii. Domestication of wild species which is in demand and endemic to the region and developing varieties thereof.
- ix. To take forward initiatives on GAPs, GFCPs etc. in the States concerned and develop species specific GAPs & GFCPs of the region & dissemination.
- x. To function as a platform for bringing together the different stakeholders of the medicinal plants in the States (SMPB, other implementing agencies, other institutions, and civil organisations involved in the development of Medicinal Plants Sector).
- xi. Assisting the various organizations in the region for formulating project proposals in the priority areas identified by NMPB and also for giving vide coverage of the scheme with emphasis on identification of region specific / issues.
- xii. To develop capacities of concerned stakeholders by developing and implementing training programmes, orientation session etc.
- xiii. To organise periodical meetings/ workshops/ consultation of stakeholders
- xiv. Review of the projects sanctioned by NMPB to various organisations in the concerned states and also to conduct monitoring and evaluation of the projects sanctioned by NMPB as and when assigned.
- xv. To collect and maintain database of all concerned Sectors of the Medicinal Plants in the states and Integration of database of various States of the region concerned.
- xvi. To undertake identified research study of relevance of the region and other matters concerned with Medicinal Plants including dissemination of research findings/ new technologies in the Medicinal Plants sector as and when assigned by NMPB.
- xvii. To develop strategy for IEC (Information, Education and Communication) and implement IEC activities.
- xviii. To document and disseminate success stories of activities supported by NMPB.
- xix. To publish yearly report of the activities of the centre.
- xx. Any other work assigned by NMPB from time to time.

Note: Regional Cum Facilitation Centre (RCFC) will be set up in an existing reputed institution, while using the infrastructure of the Host Institution, the Regional Centre will be an independent centre working under the Administrative control of the Host institution. Functioning of the centre should be as per the technical guidance of NMPB, envisaged in the mandate of NMPB. RCFC shall solely working for Medicinal Plants Sector and shall notify to NMPB about all the activities in advance.

The interested institution may submit their proposals with details to Chief Executive Officer, National Medicinal Plants Board, Ministry of Ayush, First Floor, Indian Red Cross Society (IRCS) Annexe Building, Red Cross, Road, New Delhi – 110 001.
